

The map is a detailed representation of a galactic region, centered on the Imperial Sector. The background is a dark, textured green, representing the void of space, with numerous small, bright yellow and orange dots representing stars and nebulae. The map is divided into several distinct regions, each labeled in French:

- Secteur Sauvage** (Wild Sector): Located in the top left, featuring a dark, textured background with a few scattered stars.
- Secteur Impérial Intérieur** (Imperial Interior Sector): The central, largest region, containing the Imperial Capital (Imperial Terra) and the Imperial Palace. It is surrounded by a network of lines and dots representing star systems.
- Secteur Impérial Extérieur** (Imperial Exterior Sector): Located to the south of the Imperial Interior, featuring a dark, textured background with a few scattered stars.
- Rebellion Alphabetine** (Alphabetine Rebellion): Located to the west of the Imperial Interior, featuring a dark, textured background with a few scattered stars.
- Domaine Zaldorien** (Zaldorian Dominion): Located to the east of the Imperial Interior, featuring a dark, textured background with a few scattered stars.
- Coalition Nano-Xanthic** (Nano-Xanthic Coalition): Located at the bottom of the map, featuring a dark, textured background with a few scattered stars.

The map is a complex network of lines and dots, representing the vastness of space. The lines are thin and light-colored, while the dots are small and bright. The overall style is that of a classic science fiction map, with a focus on the Imperial Sector and its surrounding regions.
