

The map is a complex representation of the Star Wars galaxy, showing the distribution of the Galactic Empire, the Rebel Alliance, and other major factions. The Imperial Sector is the central focus, with the Imperial Core at its heart. The Rebel Sector is located in the upper left, and the Zaldorian Dominion is in the upper right. The Nano-Xanthi Coalition is in the lower right. The map is filled with numerous star systems, each labeled with a name, and is connected by a network of hyperspace routes. The background is a dark, starry space with various nebulae and celestial bodies.
